

Thank you for purchase!

This is general instruction. For better experience check this demonstration video:

https://youtu.be/m7mte_24Zso

Editing the Smart-Object:

1. In the Layers panel right click on the Smart-Object Layer (marked as Blue) you want to edit and press 'Edit Contents';

Photoshop 2020 has new Transform Capabilities Warp Tool, so if you use Photoshop 2020 and later please choose 'PACKAGE DESIGN PS 2020' Smart-Layer

2. A new file will open, paste your design here;
3. After that Save it and close;
4. The changes will be made automatically to your main psd file.
